# ACTIVITIES PROFILE

Year of 2008-09

1. **GAON KALYAN SAMITI (Village Health and Sanitation Committee.**

Gaon Kalyan Samiti have been continue with financial support and guidance from the National Rural Health Mission (NRHM) as a partner organization has been continue activities in this year with co-operation of CHC, Daringbadi and people of Daringbadi Block. This programme started from this year 2009 with coverage of 60 GKS Committee at 60 number of revenue village and 6 Gram Panchayat of Daringbadi block named Gumikia, Simanbadi, Badabanga, Saramuli, Dasingbadi & Danekbadi.

2. **SANTI STAPANA KARJYAKRAMA- AT- KANDHAMAL DISTRICT**

We participate in this programme for creating the peace of Kandhamal District which organized by Odisha Santi o Sadvabana Abhijana when we have send 5 number of volunteer and 12 numbers of santi sena from Daringbadi block favour of our organization.

3. **TOTAL SANITATION CAMPAIGN (TSC)**

Total Sanitation Campaign (TSC) have been continue with Financial Support & Guidance form the Dist water & Sanitation Mission (DWSM) Kandhamal. As partner organization has been continue the activities in last 4 years with co-operation of peoples of total sanitation to each & every persons in Daringbadi Block. This programme has been continue from year- 2005. With coverage of 300 nos. Individual Latrines in 7 village called name – Godapur, Saramuli, Dasingbadi, Sonapur, Darigbadi, Siangabali year 2008-09 in the Daringbadi Block. There are 30 nos of sanitation committee have been continuing & acting their role in every villages in last three year 2006-07, 2007-08 & 2008-09 about take care, keeping the sources of drinking water- like chua,(stream water chamber) tube well plat from, Street Road etc. in their representative villages.

**CONSTRUCTION OF SCHOOL TOILET AWC TOILETS (Institutional Latrines) (IL)**

By motivating & Government order the member of school& education committee PTA , MTA & Controlling Head Master of school 1 nos. of latrines constructed in the school of 6 nos. of panchayat & 7 nos. of Anganwadi Latrine named daringabadi Panchayat,Gadapur Panchayat,Saramuli panchayat & Sonapur panchayat were constructed in AWS during the reporting period 2008-09

School students & village education committee members were insisted to dig garbage pit to put on organic waste like plastics & other waste goods in garbage pits.

### **IMPACT OF TSC.**

- The tribal have started the use of latrines instead of going to open field for defecation.
- Compost organic manure are being used in increased dozen by the farmer who have been oriented through demonstration programme of Comopst preparation.
- Large number of community leaders, Members of PRI ,students, teachers & members of SHG & house wives have been involved in total sanitation on campaign .
- It is realized that more orientations, motivation a long with some incentive & provision of sufficient water is required for the success of total sanitation campaign.

### **MEDICINAL PLANTATION PROGRAMME**

The organization within its limited resources and donations manages to plant medicinal plants to render health services particulary to children , nourishing and expectant months and old aged persons .Last years our organization had organized two hundred Health camps, one immunization camp and health education Awareness camps in rural areas and urban slums in Gangam District.The program directly benefited more then 2000 people.
