Annual Activities during the year 2009-10

The KZSVS undertakes various social, medical economical and environmental programme during the financial year **2009-10**. The reports at glance are given below.

1. SCHOOL TALENT SELECTION PROGRAMME:

For improvement of hidden talent of the student a school talent selection programme conducted during this financial year. A selection committee is formed with taking various resources person like School inspector ,teacher, academician etc. Various competition in Quiz, Essay, Debate, song, dance etc were conducted in different primary and secondary school under Daringbadi block. The winners of these competitions are awarded with prizes and certificate. The impact of this programme is that various students having talents in different field are exposed and they should develop their talent in application.

2. GAON KALYAN SAMITI:

Gaon Kalyan Samiti is a ongoing programme with support and guidance of National Rural Health Mission. The main objective of this programme is to aware the villagers regarding their rights towards health. This programme builds 60 Gaon Kalyan Samiti from 60 number of revenue village of 6 Gram Panchayat of Daringbadi Block namely, Gumukia, Simanbadi, Badabanga, Saramuli, Dasingbadi & Danekbadi. The 60 Gaon Kalyan Samiti undertakes the following activities

- ❖ Make aware the villagers about different disease and its remedy.
- ❖ Make aware the villagers about sanitation and clean.
- ❖ Take care of the patients of the village and if required admit them in near by hospital.
- ❖ Aware the villagers regarding various programme like “Matru Surakha Yoyana”, “ Nutrition Programme” etc.

The impact of this programme is very much to villager. This programme enable them to take care of their health and the health of family member with proper sanitation.

This programme is supported by the Doctors & Staffs Community Health Centre , Daringbadi.

3. SANTI SABHABANA YATRA:

Kandhamal district is affected by riots since 23rd August 2008. People of this district are in threat and hopelessness. Every corner of the district is under unmerciful. To overcome the crucial problem of the district and to bring peace and harmony in the district; the organization organized a Shanti Sadhabhaban Yatra in the Block headquarters, Daringbadi of the on 2nd October 2009 i.e Gandhi Jayanti. A Peace Rally was marched the whole town. Students and teachers of different school of the Block and college students and lectures were also joined in the peace rally. A meeting is also organized at the end of rally. Resource person of different society and community were delivered their valuable lesson to bring peace in the community and society. At the end of meeting some foods and cloths were distributed to riot victims.

4. YOGA & NATUROPATHY AWARENESS PROGRAMME FOR GENERAL PUBLIC.

Yoga and naturopathy is very strong to combat various diseases. Yoga relives stress and prevents the health from various diseases. Sound health can be maintained with yoga. Likely naturopathy provides herbal & medicinal value of different living & non living things as given by nature. Yoga and naturopathy is eco- friendly to the villagers. These are also free from side reaction. Keeping view the advantages, The KZSVS conducted a Yoga Camp on 14th Oct 2009 at Daringbadi. Local Yoga gurus were invited to train the villagers. The trained various Yogas and Ashans to the public.

The institution also conducted a Naturopathy awareness programme on 28th Dec 2009 at Daringbadi. Dr Dinabndhu Maharana ,Ayurvedic Doctor, gave outlines regarding sources of natural medicines and its applications. The points focused on this awareness programme is outlined below.

To promote and reestablish the use of Ayurvedic medicine.

To promote herbal plants and collection and distribution of herbal medicine.

To establish cause and affect relation ship with medicines and nature giving plants.

To maintain sanitation and health care of people of different age group.

To promote plantation of medicinal and herbal plants.

To identify medicinal plants.

Indeed, this programme creates a good impact to the health of public.

5. NATIONAL ENVIRONMENTAL AWARENESS CAMPAIGN.

. The problem of environmental degradation is associated with the economic development. Human being is continuously exploiting the nature and natural resources with aid of science, industry and technology. It is observed that in countries where there have been the greatest technological and advancement, the worst pollution occurs.

Environment degradation, in any form, not only destroys the wealth and diminishes natural income of the country but also threatens the very existence of human life on earth. If industries, it is dangerously affecting the earning. To create a pollution free environment a camp on Environmental awareness was conducted on the eve of environment day at Daringbadi . Local people were aware about the impact of pollution and trained them how to waste the garbage make a pollution free, healthy environment.

7. WECAN Programme

This programme brings self confidence among the people. Generally, people are despondent to do a new work or undertake a venture. WECAN programme creates Self confidence , Strength , Courage, Morality to do any type of ethical and social work.

8. Survey on HIV/AIDS, T.B and Malaria:

The organization also conducted a survey on most dreaded disease like H.I.V & AIDs, TB, Malaria etc. Field worker were visited the neighbour villages of Daringbadi headquarters and enumerated the no. patients suffered from these dreaded diseaes. Street plays were also conducted to prevent the disease. Victims were counseled secretly. Villagers were trained and to prevent from malaria and to consult doctor for taking medicine on malaria. Medicine kits were also distributed to malaria affected patient and their bloods samples were also taken for malaria parasite test. .The impact of the programme was very effective.

9.Vocational Training Programme to SC women:

A Vocational training programme was undertaken by the KZSVS at Daringbadi, headquarters on 12th Feb. 2010 . Women from Scheduled Caste Community were

trained in different vocation like, leaf stitching, tailoring, bamboo knitting, pickle, budi and pampad preparing and preserving foods etc. this programme render a good impact to women as it raises their socio economic development.
