

Kandhamal Zilla Sabuja Vaidya Sangathan

A journey towards sustainable development

Reg no: PBN - 3558/284

SECRETARY'S WORDS:

I am honored to present the Annual Report of Kandhamal Zilla Sabuja Vaidya Sangathan (KZSVS) for 2023-24, highlighting our commitment to sustainable development and water for agriculture and livelihoods. Since our inception in 2004, KZSVS has championed a people-centric approach, focusing on medicinal plant conservation, herbal medicine, and the empowerment of traditional healers in Kandhamal. Our initiatives extend to sustainable livelihoods, water management, health and hygiene, basic education, and women's empowerment.

Despite challenges, our progress has been driven by the unwavering support of government agencies, donors, and community partners. We are deeply grateful to ATMA Kandhamal, Goonj, JivDaya Foundation, DASRA, Vitamin Angels, Selco Foundation, Smile Foundation, and others for their invaluable contributions. KZSVS embraces a participatory approach, ensuring that beneficiaries are active stakeholders in our initiatives.

Our key focus areas include sustainable development, agriculture, nutrition-linked education, rural infrastructure, integrated farming, millet promotion, livestock, fisheries, and WASH programs. We extend our sincere gratitude to our dedicated team, district officials, and all those who support our mission. Your collaboration strengthens our impact, and we look forward to continuing this journey together for a more sustainable and inclusive future.

Warm regards,
Dinabandhu Maharana

Kandhamal Zilla Sabuja Vaidya Sangathan

Water for sustainable agriculture and livelihood

About Us

Kandhamal Zilla Sabuja Vaidya Sangathan (KZSVS) is a secular, non-profit, and non-governmental organization working in Odisha, India, since 2004. Initially focused on raising awareness about medicinal plants and herbal medicine, KZSVS aimed to revive traditional healing practices and provide affordable healthcare to tribal communities. Over the years, it has identified and strengthened a network of 100 traditional healers in Daringbadi block while expanding its efforts toward the socio-economic development of marginalized communities across 600 villages in Kandhamal. Registered under the Societies Act, KZSVS works on sustainable livelihoods, women's and child health, hygiene, menstrual issues, and nutrition. It has successfully implemented programs such as School to School, Cloth for Work, water and sanitation management, biodiversity conservation, and disaster preparedness, with support from government agencies and NGOs like Goonj, JDF, DASRA, and Vitamin Angels. Actively engaged in advocacy, networking, and policy influence, KZSVS has received multiple awards for its impactful contributions to social development.

Vision

A just and sustainable society where communities achieve natural resources, empower women, PWDs, and youth, and uphold traditional knowledge in health, nutrition, and natural farming.

Mission

Kandhamal Zilla Sabuja Vaidya Sangathan(KZSVS) is committed to creating an inclusive, self-reliant, and equitable society where marginalized communities, including tribal groups, women, youth, and persons with disabilities can lead dignified and sustainable lives.

Presence

KZSVS operates in the state of Odisha, specifically in Kandhamal district, covering five major blocks: Daringbadi, Kotagarh, Tumudibandha, K. Nuagam, and Raikia. The organization actively works across 50 Gram Panchayats, reaching 300 villages and impacting approximately 6,000 households. Through its various initiatives, KZSVS continues to support and uplift marginalized communities, focusing on sustainable development, healthcare, and livelihood enhancement in these remote areas.

Annual program highlights 23 -24

The Goonj Cloth For Work (CFW) Programme

The Goonj Cloth For Work (CFW) Programme, implemented by Kandhamal Zilla Sabuja Vaidya Sangathan (KZSVS), has significantly impacted 600 villages in Daringbadi, Kotagarh, and K. Nuagaon Blocks by improving infrastructure, education, healthcare, economic growth, and water management. The program constructed 360 km of roads in 300 villages, enabling 580 students to attend school regularly and helping 2,000 farmers access markets, boosting their income. Improved road networks also enhanced emergency healthcare services and communication in remote areas. Additionally, the construction of 205 dug wells and water canals across 120 villages provided sustainable water access for agriculture and daily use. The program also developed schools, community centers, and sanitation facilities, improving overall living conditions. By fostering community ownership, the Goonj CFW Programme (2023-24) has strengthened livelihoods, essential services, and long-term rural development in Kandhamal.

Goonj S2S Programme

The Goonj School-to-School (S2S) Programme, implemented by Kandhamal Zilla Sabuja Vaidya Sangathan (KZSVS), has enhanced education across 100 villages in Daringbadi, Kotagarh, and K. Nuagaon Blocks. The program has provided school kits, supported Anganwadi Centers with toys, and encouraged parental involvement, leading to improved academic performance, increased attendance, and greater student motivation. By strengthening early childhood education and fostering community participation, the initiative has significantly impacted learning outcomes. Despite its success, sustainability remains a challenge, prompting plans to expand partnerships and extend the program's reach. Moving forward, KZSVS aims to maximize its impact on education and child development through continued collaboration and resource mobilization.

Goonj NJPC Programme

The Goonj Not Just a Piece of Cloth (NJPC) Programme, implemented by Kandhamal Zilla Sabuja Vaidya Sangathan (KZSVS), focuses on hygiene, sanitation, and menstrual health in 56 villages across Daringbadi and Kotagarh Blocks. Key activities included WASH infrastructure development, menstrual hygiene awareness, and the distribution of Goonj MY PAD KITs, significantly improving health and sanitation practices. The program has enhanced awareness and access to safe menstrual hygiene, empowering women and adolescent girls. Moving forward, KZSVS aims to expand to more villages, strengthen partnerships, and explore sustainable menstrual health solutions. The active participation of community members has been instrumental in achieving positive outcomes and ensuring long-term impact.

Annual program highlights 23-24

Pre-School Nutrition and Education & Rahat Support program

The Pre-School Nutrition and Education & Rahat Support Program, run by KZSVS and JDF, helps 200 children in four villages by addressing malnutrition and early education. Centers operate 7:00–9:00 AM, offering daily milk, biscuits, literacy training, and essentials like clothing. The program improves health, learning, and school readiness, with community support ensuring sustainability. Despite challenges in funding and expansion, efforts focus on extending outreach and deepening impact in Kandhamal.

Sustainable Livelihood & Women's Empowerment Initiatives

In 2023, Kandhamal Zilla Sabuja Vaidya Sangathan (KZSVS), with Selco Foundation's support, advanced sustainable livelihoods in Daringbadi Block through renewable energy solutions. Key interventions included solar-powered rural Xerox shops (5 locations) and swing machines for widows and physically challenged individuals, ensuring income generation and accessibility.

Micro Entrepreneurship Development Programme

Additionally, Micro Entrepreneurship Development Programs (MEDP) trained 60 SHG women in mushroom cultivation and Kadaknath chicken farming, while Grass-Root Level Training Programs (GRLTP) strengthened financial literacy and self-sufficiency among SHGs. With NABARD's support, the initiative enhanced skill development, market linkages, and sustainable agriculture, empowering women and fostering economic resilience in water-scarce tribal villages. Looking ahead, KZSVS aims to scale up renewable energy initiatives and expand inclusive livelihood programs.

Mission Education

Mission Education, supported by the Smile Foundation, has been successfully implemented by Kandhamal Zilla Sabuja Vaidya Sangathan in Daringbadi Block, Kandhamal District. The Remedial Education Programme, operating in Saringirpi, Marenji, and Padami villages, provides vital educational support to underprivileged children.

Program Highlights & Impact:

- 146 students enrolled in remedial education centers.
- Flexible learning sessions (Morning: 7:00–9:00 AM | Evening: 4:30–6:00 PM) improve attendance.
- Teaching-learning materials (textbooks, notebooks, stationery) enhance educational quality.
- Regular health check-ups ensure students' well-being.
- Experiential learning through storytelling, arts, sports, and competitions fosters holistic development.
- Academic progress is achieved through regular assessments and individual attention.
- Skill development programs empower children beyond academics.
- Community-driven management fosters ownership and accountability.

Annual program highlights 23-24

Odisha Millet Mission – Empowering Farmers & Promoting Nutrition

The Odisha Millet Mission, led by the Department of Agriculture & Farmers Empowerment, has made significant strides in millet promotion, particularly Ragi, with support from ATMA Kandhamal and WASSAN. The program engaged 1,500 farmers across 14 gram panchayats, cultivating 1,000+ hectares using sustainable farming practices. It ensured fair pricing and timely payments by procuring 4,000 quintals of Ragi and strengthening market linkages. Awareness campaigns, millet food festivals, and competitions encouraged millet adoption, addressing nutrition and food security. Moving forward, the mission aims to expand farmer participation and strengthen the millet ecosystem for long-term agricultural and economic sustainability.

Special Programme for Promotion of Integrated Farming (SPPIF) – Transforming Tribal Agriculture

The SPPIF, implemented by Kandhamal Zilla Sabuja Vaidya Sangathan with support from ATMA Kandhamal and WASSAN, enhances farmers' livelihoods in 30 villages across 3 gram panchayats in Daringbadi Block. The program follows the Reduce, Recycle, Reuse & Recovery model, integrating agriculture, horticulture, livestock, and fishery for sustainable resource use. Key interventions include crop diversification, trellis-based vegetable cultivation, livestock enterprises, and fish seed production. Achievements include successful varietal trials, increased horticulture yields, expanded poultry and goat rearing, and enhanced fish production. Moving forward, SPPIF aims to expand its impact, fostering sustainable income opportunities for tribal farmers.

Vitamin Angel’s Child Health Initiative in Kandhamal

In collaboration with Kandhamal Zilla Sabuja Vaidya Sangathan, Vitamin Angel has successfully enhanced child health in Daringbadi and Kotgada blocks, Odisha, benefiting 6,000+ children annually. The initiative addresses vitamin A deficiency and parasitic infections through the distribution of Vitamin A Solution and Albendazole, ensuring improved immunity, nutrition, and overall development for children under five. With effective implementation, community engagement, and continuous monitoring, the program has prevented complications and strengthened child health outcomes. Moving forward, efforts will focus on expansion and deeper community partnerships to maximize impact.

Annual impact highlights 23-24

6,000+

children received Vitamin A supplementation and deworming, improving immunity and reducing malnutrition.

33

villages strengthened disaster resilience, with 500 volunteers trained and 80% of villages equipped with disaster management plans.

2,600

farmers engaged in crop diversification, leading to a 30% increase in household incomes and sustainable agriculture.

130

water canals constructed in 130 villages, ensuring year-round irrigation and improved agricultural productivity.

300 km

of mud roads built through community ownership, enhancing rural connectivity and economic opportunities.

3,000

farmers adopted an integrated multi-farming approach, ensuring year-round income and climate resilience.

150+

(PWDs) are being empowered through sustainable livelihood initiatives, fostering self-reliance and financial independence.

4000

quintals of Ragi procured, securing fair prices for farmers and strengthening millet-based food security.

60

women entrepreneurs trained in mushroom cultivation and Kadaknath poultry farming, promoting rural enterprise and self-sufficiency.

Overall Impact:

- Over 6,000 children received Vitamin A supplementation and deworming, improving immunity and reducing malnutrition.
- 33 villages strengthened disaster resilience, with 500 volunteers trained and 80% of villages equipped with disaster management plans.
- 2,600 farmers engaged in crop diversification, resulting in a 30% increase in household incomes and promoting sustainable agriculture.
- 130 water canals were constructed across 130 villages, ensuring year-round irrigation and improved agricultural productivity.
- 300 km of mud roads were built through community ownership, enhancing rural connectivity and expanding economic opportunities.
- 3,000 farmers adopted an integrated multi-farming approach, ensuring year-round income and building climate resilience.
- Over 150 persons with disabilities (PWDs) were empowered through sustainable livelihood initiatives, fostering self-reliance and financial independence.
- 4,000 quintals of Ragi were procured, securing fair prices for farmers and strengthening millet-based food security.
- 60 women entrepreneurs were trained in mushroom cultivation and Kadaknath poultry farming, promoting rural enterprise and self-sufficiency.

Testimonials

"KZSVS stands as a pillar of community-driven change in Kandhamal district. Over the past year, I have witnessed their unwavering commitment to transforming lives through agriculture, horticulture, livestock, and fisheries, while also addressing critical social needs in health, education, and nutrition. Their work directly uplifts the most vulnerable communities and progressive farmers in Daringbadi, ensuring sustainable, life-changing impact."

— Animesh, Vitamin Angels

"KZSVS is more than an organization—it is a force for sustainable development. Their dedication to empowering rural communities through integrated farming, resource management, and social initiatives is truly commendable. Their collaboration with government programs like SPPIF has strengthened livelihoods, improved resilience, and fostered lasting progress in Kandhamal."

— Sukadeba Nayak, District Coordinator, SPPIF

"KZSVS may be a small organization, but its impact is profound. Through need-based initiatives, it empowers grassroots communities to take charge of their own development. Programs like Cloth for Work not only address local challenges but also uphold dignity, self-respect, and economic empowerment. KZSVS is a true example of self-sufficiency and sustainable change at the village level."
